Reverie Ventures India Pvt. Ltd. is engaged and Connoisseur in various fields. Ever since its inception, Reverie Group has believed its success comes from its people. Wherever there are people there is an opportunity to serve. Every activity, be it Real Estate, Security, Wooden Units, Mining, Engineering & Contracting has steadily focused on creating a better experience in every aspect of life. While corporate has gone from strength to strength, the Group is primarily Synonymous with quality, Commitment towards customers and Reliability.

Our organization has carved a strong position for itself under the guidance of our Managing Director **Mr. Harendra Dubey**. His able leadership has enabled us to garner a vast client base in the industry. Therefore, we focus on all parts of our country because Service with Excellence widely spread pays more than being in a small pond. The ability to offer quality products with Excellency and at economical cost has enabled us to maintain the dignity in the Industry.

KAILASH BLACK STONE

Kailash Blackstone, a naturally made stone, has properties that make it ideal for everyday use both at home and outdoors. It can withstand the demands of the elements and time, as it is created due to heat and pressure. Kailash Blackstone works in every room of the house and every corner of your outdoor landscape. Kailash Blackstone can also be provided exclusively on demand with Granite finish which can be used further for greater looks on Kitchen Platforms, Table Tops etc.

INDOORS

Kailash Blackstone can be used to create counter tops for kitchens, Vanities, Bathrooms or Floors in any room of your house, Stair Cases etc. When cut into tiles, it can cover a bathroom wall or can be used as a backsplash in your kitchen. Flower vases and other decorative containers can be made of Kailash Blackstone as well.

OUTDOORS

Kailash Blackstone is used in houses and outdoor structures, as well as gates or as support for columns on porches. It can be used to build outdoor Ovens, Fireplaces, Patio or Porches, Retaining Walls & Walkways, around Swimming Pool, Gardens or Lawns, Boundaries etc. You can find outdoor furniture, such as Garden Benches or Patio Tables, made of the material. Kailash Blackstone is also used to make Fountains, Garden Planters and Troughs, as well as Urns and outdoor Lighting and Fixtures.

ART USES

Kailash Blackstone can even be used to create works of art for both inside and outside the house, such as Animal Figurines or Statues for the yard. It can be used to design Garden Balls for placements on Pedestals (Also made of Kailash Blackstone). Kailash Blackstone can be used to surround a work of natural art prominently displayed outdoors, such as Prized Rose bush or other flower in your garden.
